

Horizon PTO Meeting Minutes- 08/06/18

People in Attendance: Tammy Hopkins, Dr. Jennifer Schwardt, Jamie Price, and Thelma Smith.

The meeting was called to order by Tamara Hopkins, the PTO President, at 6:42pm.

2018-2019 PTO BUDGET: The 2018-2019 PTO budget was discussed and approved. Due to the fact that the PTO consists of three active board members, it will likely not be possible to make large contributions to the school this year. However, Dr. Schwardt and the teachers have identified many smaller ticket items that would be helpful in enriching the students' lives this next year. Therefore, our **theme for fundraising this year will be "Little Things Go a Long Way."** As in past years, we still plan to cover sixth grade trip bussing, teacher appreciation events, library book funding, etc.

HARVEST FEST will take place on October 5, 2018 at 4-7pm. If we do not get enough volunteers, we will not be able to have harvest fest this year. Discussed options to improve the food lines, how to obtain more volunteers, and scheduling additional games so that there is more to do. We would like to repeat face painting, bounce house (although perhaps a different one), games, hayride, pumpkin raffle, pumpkin painting, and hosting of organizations. We will plan more thoroughly during our August and September meetings. Fourth graders may sell Taffy Apples at Harvest Fest again this year.

SPIRIT WEAR: Flyers will be passed out during open houses. Mary Dixon will chair this committee this year.

YEARBOOK: Dr. Schwardt is going through the process to obtain a teacher liaison for the yearbook club this year. Price will remain \$20 this year, and \$25 for late orders. We will have personalized options again this year, and will again hold the cover contest. To avoid any confusion with yearbook orders this year, email receipts will be issued to everyone that pays and provides an email address with their order.

BOOK FAIRS - Currently Amy Gillmore is scheduled to chair this year. Dates set (see above).

MOVIE NIGHT - We will not hold a movie night this year, unless someone volunteers to chair the position.

BINGO NIGHT - Jamie Price will chair the Bingo Night committee this year. Set date (see above).

Meeting was adjourned at 8:23pm.
